

Your Success Plan

Elite

SolidProfessor On-Demand Training

Access SolidProfessor's 15 000+ lessons covering CAD, CAM, Simulation theory, GD&T and FEA - available 24/7 to every team member. Ideal for self-paced skill building between live sessions.

Site-Wide Learning Licences

Provide up to three SolidProfessor seats per SOLIDWORKS licence - or scale higher - to ensure interns, technicians and non-CAD staff can all follow along with your training roadmap.

Instructor-Led Credits

Redeem R 3 200 per SOLIDWORKS licence each year toward Cadmes's in-person training. Perfect for deep dives into advanced surfacing, complex assemblies and simulation best practices.

Ask a Cadmes Expert Sessions

One private three-hour consultation per SOLIDWORKS licence, per year. Book time with a Cadmes specialist to tackle model reviews, workflow optimisation or automation scripting - live.

Discounted Consulting

Substantial Savings on Cadmes consulting for custom workflows, automation or simulation projects.

50% off myCADtools Licence

Automate repetitive tasks and simplify model management with our premium add-in - now 50% off to drive faster, error-free CAD workflows.
